Recall: no category change will be allowed the day of the open. Fighters who will be weighed out of range (to heavy) will be disqualified.

If not enough people are registered for a category, the organizers keep the right to fuse two categories. This is valid for taolu and combat categories. Ideally a minimum of 3 participants is requested to validate a category. In combat, if the category has only one registration and if a fusion with the upper category is not feasible; the fusion will take place with the nearest lower category. Categories with less than 3 participants can be fused with closest neighbouring category (upper or lower).
